

To all team members and parents

We will be having a team meeting on Friday, February 20th at 7:00 before the party gets underway. We need to have at least one parent attending the meeting if you are going to the Buckeye Regional Competition at the Wolstein Center. We will be discussing particulars of the trip including travel arrangements and food.

The Wolstein Center has a contract with several food vendors to provide lunch at the center. We are not permitted to bring our own food inside the center. We have determined that it will be easier for us as a team to take advantage of this so that we won't have to leave the center to find food at lunchtime and we won't have to worry about unaccompanied students wandering around Cleveland. We have to order and pay for these lunches in advance in one group payment. Therefore, we need to have anyone who will be at the Wolstein Center for lunch on Thursday and Friday to bring \$16.50 in cash or check to the meeting on Friday. This will pay for your lunch for both days. We will have an order sheet at the meeting for you to pick your meal. There are several choices. The food will be delivered directly to our team at the center at lunchtime. If you are traveling as a family and will have an **adult** family member who is available to leave the center and bring back food for you at lunchtime, then you can make other arrangements. Please let us know that on Friday at the meeting. If you don't pay for your lunch Friday at the meeting, then you will be hungry at lunchtime in Cleveland.

Students need to stop by the high school office as soon as possible to pick up an excused absence form. This is the same form you needed for the field trip to Mettler Toledo. It has to be signed by your parents and by Mr. Morgan. Please don't wait until next Wednesday to do this.

Please let Mr. Trumble or Mrs. Hebenthal (625-5003) know if you have any questions. We will be discussing many other things having to do with the trip at the meeting.
